HOW TO TURN A DAY ON THE COURSE INTO SUPPORT **FORE! Our Kids...**

Funds raised by Fore! Our Kids supports our Parents as Teacher, Little Learners Program that provides in-home education and resources to families with children from birth through pre-k.

Here is a quote from one of the parents enrolled in this free program:

"After two years of monthly visits with the Little Learners staff, Emma has gone from far behind in age development to actually being over a year ahead according to her latest screenings. Little Learners Program was more than just a tool to help Emma, it was an honest to goodness blessing to her and our family."
